HKCNP NGO Partners Response In Voluntary Needs

-
- (5) Our church is composed of mostly domestic helpers, refugees and local Chinese who are either students or does not have high salaried jobs. We are praying for churches who would like to partner with us with volunteers and those who could support the ministries financially.
- (6) We would like to be able to also start a shelter for domestic helpers and would like to be able to have funding for the space and a paid staff.
