

# Kingdom Asset Based Community Development (KABCD)

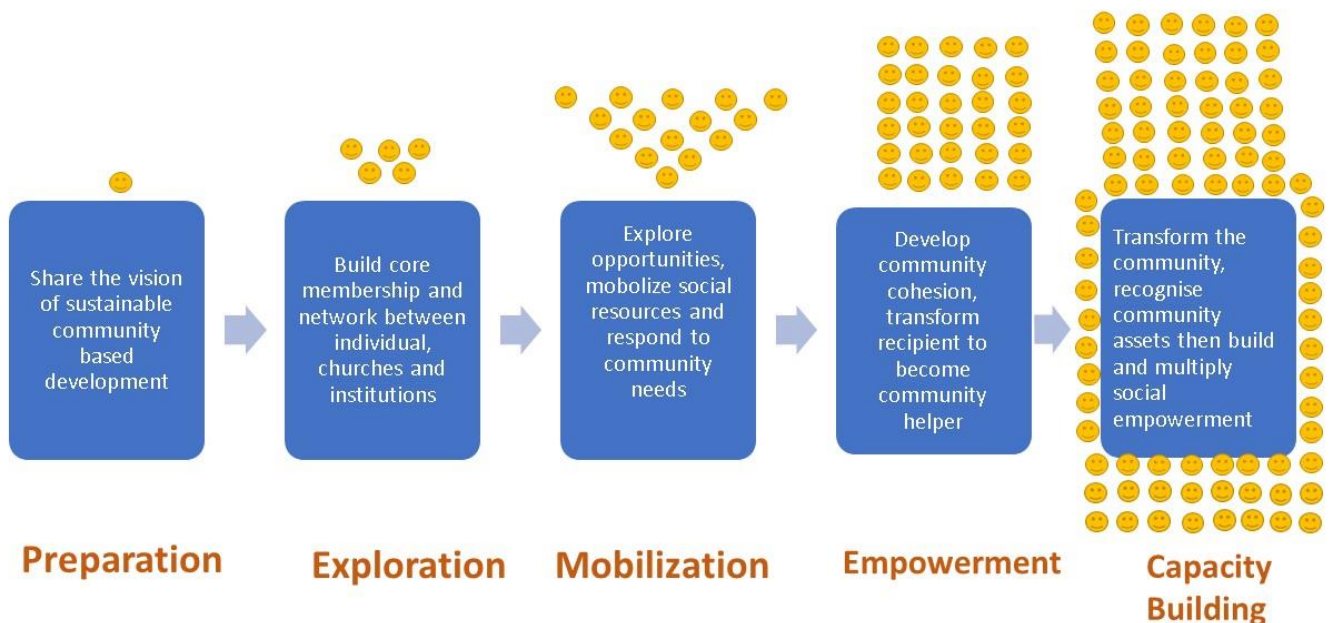

As an asset to the community, your involvement is important to its community development !

## Definition of KABCD

A process empowered by God, in which the people of a community grow in their ability to solve their own problems and take control of their lives resulting in growth of the whole person (physical, psychological, spiritual) and improvement of the various aspects of their community. Through this process the individuals and the community become all that God intends them to be.

## Steps to KABCD

Community relationship is the key to asset based community development. What is your relationship to the community? What is the level of the development in your community? What do you expect to involve in the community development?
