## Words from the Chairman

Thanks to the Lord for keeping HKCNP and our partners in 2016, which was a year full of grace. On the road of promoting community transformation, together we went forward with Lord's grace and put in unremitting efforts to develop and reinforce our services. Led by the Lord, support from churches and different sectors in Hong Kong had been garnered on the work of HKCNP: 524 partners participated in the "10.10.10. Anti-Poverty Campaign" so as to echo the United Nation's "International Day for the Eradication of Poverty" for the fifth consecutive year. Through actions, experience and dedication, various churches, institutions, schools and business groups supported the anti-poverty movement. On 18 November, we conducted a bilingual "Poverty Forum" for the first time with more than 80 Chinese churches and 20 international churches and strong response was received. We explored the means to walk in the footsteps of Christ when we were serving the poor and to promote the movement of serving with God, so as to bless Christians to become a live-transformed disciple.

Apart from regular ministries, we participated in the "Chinese Congress On World Evangelization" for the first time and issued a research report in the field of "Community Service and Mission". By considering the existing evidence-based ministries, a feasible proposal concerning the promotion of "disciple-oriented cross-cultural mission" was put forward. We shared our precious experience with the Chinese Christian leaders and blessed the communities where they came from. Last year, we offered the "Certificate in Poverty Alleviation Ministry" course and Shui Chuen O community service jointly with Alliance Bible Seminary and Shatin church network respectively, which demonstrated the passion of Christians for participating in poverty alleviation services and the united spirit of poverty care among churches to shine for the Lord.

HKCNP will maintain our key partnerships in 2017 and serve the poor in Hong Kong with God's love through regular projects, such as the Child Development Fund program and Love In Action. Furthermore, this is the second year we launch the "Youth Upward Mobility Mentorship (Pilot) Program", which provides the youth with more opportunities for upward mobility. Looking ahead, it is hoped that this cross-sector collaboration between the churches, schools and business sector can serve more grass-roots youngsters in pursuit of its mission on transforming the community and actively inhibiting inter-generational poverty.

Last but not least, I would like to express my gratitude in particular to the three founding organizations of HKCNP - Hong Kong Chinese Christian Churches Union, Hong Kong Christian Council and Hong Kong Church Renewal Movement. Thanks to the love and support from the founding organizations, committee members, consultants, church pastors, institution leaders and Christians from all walks of life, we can always focus our mission on serving the community. Our united spirit was underlined and witnessed on the trajectory of caring for the poor. May the Lord reward your love.

**The growing wealth gap in Hong Kong is still alarming. HKCNP will continue to promote the asset based community transformation movement and unite our witness with partners!**

1300+  350+  500,000+ 

Hong Kong Church Network for The Poor aims to unite 1300 churches, 350 Christian Social Service Organizations, 500 thousands Christians to set up a network to serve the poor.

## Vision

Our Lord has heard the cry of the under-privileged people in Hong Kong, it's He who calls His people, sends them into communities of the poor: **walk humbly with God, act justly and love mercy**; speak according to the truth, act from a **caring heart** to manifest the **witness** of our church in trinity.

Through **establishing partnership** with churches, frontline gospel organizations and Christians from all walks of life, "Hong Kong Network for the Poor" creates a platform to **perform** advocacy and educational activities for the poor; as well as provide financial and prayer supports to the frontline agencies, churches and **Christian communities**, whom provide pastoral care to the poor and carry out activities that help the poor to **alleviate and overcome poverty**.

## Mission

## Position

HKCNP provides a unique set of services to **enable and support** Christian ministries, NGOs and government departments to collaborate together to **improve the physical, emotional and spiritual being of poor** people with the ultimate goal to alleviate **inter-generational poverty** in Hong Kong. HKCNP's **knowledge-based, caring and trusted** services enable big, small and medium sized Christian ministries, that aim to serve the poor to **form a community** therefore leveraging one another's **experience, expertise and resources** together with NGOs, business as well as government departments. Thus in turn, help them better fulfil their mandates or missions by reaching a higher number of poor people.

# HKCNP Community Transformation Model

The Network of Poverty Relief Networks with Prayers

That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me. John 17:21

“ Let's begin the transformation of the city from transforming ourselves and the churches; targeting at eliminating poverty rather than just serving the poor and taking a bottom-up approach to start the movement. Love in Action is not just about donating food; rather, it focuses on walking together in the path of love. By growing up with mentors who devote in-depth care and love, the needs of children can be touched. What youngsters need are companions who can be their friends and teachers at the same time as well as job opportunities, which enable their upward mobility and cannot be done by providing money. Through the partners of our network, we may demonstrate one Church and one Christ. Hence, more partners are needed for implementing the community transformation movement and fulfilling the mission of God in one Spirit. —

**Dr. Philemon Choi Yuen Wan (Vice Chairman of HKCNP)**

# Love in Action

We connect our partner churches with the organizations and donors that give out food, resources and service. By distributing these resources, the love and caring of Christ can be delivered to the poor.

- Co-organized the "Peace Box Campaign" and gave away 4930 gift boxes.

“ Generally speaking, the grass-roots families in Tin Shui Wai and Ping Shan in Yuen Long would not arrange special leisure activities during the Easter holiday due to their living conditions. With the donations from Rainbow Foundation, festive ambience and love were experienced by these families, and unforgettable family memories were created, which enriched their spiritual lives. — **The Covenant Heart Social Services** ”

“ It was the first time for the grass-roots children to visit The Repulse Bay. They were delighted and excited for the warm hospitality of the hotel (The Hongkong and Shanghai Hotels). Moreover, they spent the happy weekend by receiving a lot of gifts while enjoying gourmet food. Thank you, Lord! — **Team-leading tutor of HKCNP partner church** ”

## Child Development Fund Mentorship Program (CDF)

HKCNP launched the “Church Intensive Community Mentoring Pilot Program” in 2007. Later in 2009, the government adopted the model and allocated \$300 million to establish and implement the “Children Development Fund”, a long-term sustainable policy which aims at helping the next generation and tackle inter-generational poverty.

- Targeted at influencing lives with lives, HKCNP promoted the Child Development Fund program and recruited more Christians as mentors.
- 42 projects of our partner organizations have been sponsored since 2009, which served 3884 mentees from 7 schools and 14 districts.
- 5 partner churches/organizations participated in the 6th phase of the district-based program and served 6 districts: Baptist Oi Kwan Social Service, The Industrial Evangelistic Fellowship, The Urban Peacemaker Evangelistic Fellowship, Hong Kong Yan Kwong Bethel Church and Shatin Baptist Church.
- 5 partner churches/organizations participated in the 3rd phase of the school-based program and served 6 schools: Jabez Community Centre of Christian & Missionary Alliance Sun Kei Church, Christian Canaan Church, Baptist Oi Kwan Social Service, Christian Action and The Industrial Evangelistic Fellowship.
- Continued to conduct the follow-up study of our “Faith-based Research” on the fourth phase, so as to review the effectiveness of the scheme. We planned to issue the study report in 2017.
- In order to help the youth who completed the Child Development Fund program combat inter-generational poverty, a ‘post-CDF’ scheme will be planned.

“The most touching moment came when I saw the youth grew up with their goals in life established. The selfless efforts and sincere care for the youth of the “Mentoring Program” has turned into their impetus of growth. The most precious thing was that some of the mentors have become friends with the parents of the youth and continued to walk with them.\* — **Dr. Philemon Choi Yuen Wan (Vice Chairman of HKCNP)**”

“From being helped to helping the others as a mentor and took part in the three-year program, despite knowing that the responsibility I bore was by no means small, I will persist in it so as to influence more mentees and pass on the spirit of influencing lives with lives.\* — **Trainees of Christian Action (HKCNP member organization), became a mentor from mentee**”

# Youth Upward Mobility Mentorship Program

## Four Pillars of the Program:

Provide job opportunities with promotion prospects for students having unsatisfactory results in the HKDSE to enable upward mobility.

Respond to the needs of enterprises for human resources

Equip youth to join the workforce through the mentorship program and peer support group, thus help them develop positive lives.

Facilitate the collaboration between the government, civil institutions, schools and the business sector in promoting socio-economic development mode and refining the existing youth policy.

- Starting from the end of 2015, contacted 130 schools to introduce the program; held 7 Work Experience Day during May and June to provide the students who were interested in the program with more concrete experience.
- Booths were set up in 18 secondary schools in Hong Kong on the DSE result release day in mid-July to recruit trainees and provide students with immediate support.
- Pilot Program 2016: helped 23 grass-roots teenagers aged 18-22 to get the opportunities of study and all-round development. The partner enterprises included are Hong Kong Broadband Network Limited and EGL Tours.
- Core team: Dr. Ricky Szeto (Convenor), Dr. Philemon Choi Yuen Wan, Dr. Charles Chan Ching Hai, Mr. Chan Yim Kwong, Mr. Allen Ha, Mr. William Lo, Mr. Wai Bernard Stephen King Him, Mr. William Yeung, Mrs. Patricia Yuen, Mrs. Wendy Chiang Wai, Ms. Agnes Tse, Mr. Edmond Lee, Ms. Susanna Ma
- More partner enterprises will join us in the coming year to provide more choices and diverse pathways.

**Program Sponsor: Abundant Grace Charity Foundation**  
**Program Co-organizer: Hong Kong Broadband Network Limited**

“ Our enterprise contributed money, effort as well as labour to support this worthy program. Every contribution matters disregard the amount, so please join the program instead of doing nothing!  
— **Mr William Yeung (Chief Executive Officer of HKBN Ltd.)** ”

“ I will feel bewildered about my future with uncertain prospects if I haven't taken part in the YUM program. Thank you YUM! — **YUM participant** ”

“ At first I was just thinking about what could I do to train the youngsters... I thought that I was the helper, but actually I was growing up with them at the same time. While we were discussing about study through the sharing of guests, I recalled the days when I entered the job market as a freshman. I gained a more in-depth understanding of myself through the sharing, which served as the starting point for communication between us and made me a recipient of help as well. — **Keung (Christian Canaan Church)** ”

## Promotion & Development - Community

Using the Community Transformation-oriented approach, recognize, explore and establish the assets and features of the community, which becomes a key element in community development and transformation, so as to serve the grass-root groups. Connect partners to be a witness of unity, pass on the commandment of loving God and one another, and serve with this spirit. By doing so, the Great Commission can be achieved and make all men disciples of the Lord.

- It is a process empowered by God, in which the people of a community grow in their ability to solve their own problems and take control of their lives resulting in growth of the whole person (physical, psychological, spiritual) and improvement of the various aspects of their community (health, education, infrastructures, relationships). Through this process, the individuals and the community become all that God intends them to be.
- Gathered the churches in Sha Tin district to serve the residents in Shui Chuen O Estate (number of people who moved in has reached 14,000). In order to reach out to new residents and thus to build a caring community, on-going visits were paid and large-scale activities such as summer programs, 10.10.10 Shatin Love Feast, and Christmas carnival were held.
- By participating in "The Most Wonderful Blessing in Life" and connecting the partners in Southern District of Hong Kong Island, the gospel was preached to the grass-roots and made them disciples of the Lord.

“Collaboration is needed in this era, especially when people turn their compassion into actions. No single church, organization nor professional sector can alleviate, combat and prevent poverty alone. We are all blessed children, who are equally precious, of the loving Heavenly Father. We need to share the love and mercy of Lord with the world so they can truly benefit from the gospel. Hong Kong is facing the aggravating crisis of poverty. Apart from Cantonese-speaking churches, we also need English-speaking churches to walk and work with us! — Rev Peter Lam (E.F.C.C. Kong Fok Church)”

“The “Shui Chuen Neighbourhood Feast” held in Shui Chuen O Estate was the first time in two years for churches serving the community to hold an event at the same venue, which provided us with a rare opportunity to come together and serve the residents. From planning stage to the completion, we had always cherished a sense of gratitude for the opportunity to serve with the partner churches, have a fixed venue to hold the activity at Shui Chuen O, while gaining the trust of the residents. Thanks to the Lord for being with us and loving us. Moreover, I would like to express my gratitude to the churches which have always been with us in the Shui Chuen O Network. Their prayers, company and support were definitely the joy and impetus for us to serve. May more churches take part in serving the estate, work and pray together for the salvation of near 30,000 residents there. — Shui Chuen O Committee of HKCNP Shatin Church Network”

## Advocacy and Education

Regarding the issues that HKCNP involves, reflect and express our views to churches, society and the government. To study and advise on structural or institutional problems, and to encourage churches to voice out for the poor. Hope to influence the social atmosphere and government policies with the value of the Kingdom of God.

- Organized the course “Christian’s Mission to Respond to Disparity between the Rich and the Poor” and “Poverty Experience Event” to encourage Christians to participate in poverty alleviation work.
- Offered the “Certificate in Poverty Alleviation Ministry” course jointly with Alliance Bible Seminary to encourage churches and Christians to care for the poor in the community.
- Completed the action-based research report in the field of “Community service and mission” in the 9th Chinese Congress On World Evangelization and continued to promote the movement in Hong Kong.
- Shared anti-poverty message in various media (Christian Weekly, Christian Times, Good News HK, Christian Daily, Ming Pao, Commercial Radio Hong Kong, etc.) to voice for the poor.
- Called for churches, NGOs and Christians in Hong Kong to respond to the United Nation’s “International Day for the Eradication of Poverty” since 2012. By praying, donating, sharing message, experiencing the work on poverty alleviation and taking actions to care for the poor, we responded to the needs of society and voiced out for the poor. This year, 524 churches and NGOs participated in the 5th “10.10.10 Anti-Poverty Campaign”, the list can be found on: [http://www.hkcnp.org.hk/core\\_services/101010/participation\\_list/](http://www.hkcnp.org.hk/core_services/101010/participation_list/).
- There were various projects under the 10.10.10 Campaign, including “Oct 17 Fast-a-Meal”, “Poverty Forum-Following Christ In the Poor”, “Shatin Community Caring Jubilee Feast” and the new “Oct 17 Fast-a-Meal Arts and Photography Competition” we held this year.

“ The structural poverty problem in Hong Kong is aggravating. In order to address the problem, we cannot just focus on poverty alleviation but also combating and preventing poverty. Therefore, HKCNP keeps visiting different churches so as to understand the needs of the local community in the vicinity and share how church can bless the community. It was grateful that many of the churches shared that when they walked into the community, there must be growths – not only growth in number of people but also growth in lives of brothers and sisters since one must walk with Jesus when he serves. — **Ms. Susanna Ma (Executive Director of HKCNP)** ”

“ It was an honour to co-chair the organizing committee of the Poverty Forum 2016. The planning meetings were not just focused on the event but also facilitated some interesting reflection on the church's ministry to the poor. Indeed one of those was about is it to the poor or with the poor? Another engaging conversation was around the theme for the forum. Should it be serving Christ in the poor or with the poor. We went for the former under the conviction that Christ is already present with the poor and we encounter Christ in our service. — **Revd Mark Rogers (St. John's Cathedral)** ”
